Continuum

CCX-FIBERGLASS CONSTRUCTION

CCX – Fibreglass Construction

The newly developed **Continuum** was tested over an extended period of time and possesses the qualities necessary for light and sensitive fishing. The shorter rod lengths are ideal when sitting on a small stream or on the dock. The rod-blank was constructed with speed, power and stability in mind – guaranteeing effortless fishing for hours on end.

And all of this for a sensational price...

These are the qualities and special characteristics that cause the **CONTINUUM** to stand out:

- Ultra-lite
- CCX – Fiberglass construction
- Attachable tips for sensitive fishing
- Attractive design
- Durable rings
- Hook keeper
- Tailor made
- EVA handle
- Short rod lengths
