

# V1 – METHOD FEEDER

C A R B O N   C O N S T R U C T I O N

- Fast action
- Hard spine combined with a soft tip
- High quality rings
- Longer and higher quality cork handle with EVA components for long casts
- FSP Fast – Sensitive – Powerful full carbon blank
- Includes 3 Feeder-tips in various types (1 x Carbon, 2 x Fiberglass)

The fact that method feeders are the new trend is no longer a secret. As opposed to “Short-Distance-Fishing”, this rod has been developed so that flat baskets of up to 120 g. may be cast long distances without any problems. The CT Carbon-Technology-Blank makes fish retrievals truly enjoyable, without concerns about tearing the fish’s mouth. The parabolic action absorbs the shock created by large whitefish and carp attempting to flee.

## V1 Method bis 120 g

Item-No.	Length	Parts	Transp. length	Weight approx.	Casting-weight	* €
1464 360	3,60 m	3	124 cm	275 g	bis 120 g	76,00
1464 390	3,90 m	3	135 cm	311 g	bis 120 g	79,00

# CRYSTAL FEEDER

- Rods capable of somewhat heavier casting weights: up to 90 g
- Ideal for the relatively heavy feeder-baskets on the river – or for that long cast on the lake
- Includes 3 Feeder-tips in various classifications (1 x carbon, 2 x fiberglass)
- Deluxe-Specifications
- Carbon-blank-construction with built in fiberglass – lends strength to the rod
- The best part is the price – absolutely unbelievable!

## CRYSTAL-FEEDER bis 90 g

Item-No.	Length	Parts	Transp. length	Weight approx.	Casting-weight	* €
1461 330	3,30 m	3+3	118 cm	277 g	bis 90 g	81,50
1461 360	3,60 m	3+3	128 cm	320 g	bis 90 g	84,50
1461 390	3,90 m	3+3	138 cm	354 g	bis 90 g	95,00

# GROUND CONTACT • C1

## Ground Contact C 1 and C 1 S

Specifications:

- Semi-parabolic action – hard backbone for long casts
- Ultra-slender high carbon fiber blanks with X-crossbraid/ material for additional stability
- Flat-black enameled blanks for avoiding light reflection on the water
- High quality 3-support SIC guides
- 40mm start-guide for long casts
- Fuji reel-seat
- Line protection clip, metal butt-cap with Ground Contact logo
- Ground Contact C 1 – 3-piece, 12 foot/3,60 m.
- Extra small dimensions for transport – 127 cm

### GROUND CONTACT C 1

# GROUND CONTACT • C1(S)

### ◀ GROUND CONTACT C1 „S“ Stalker/Boat in 3,0 Lbs/10 ft

Built in classical Old-School Look – the C1 “S” Stalker/Boat is constructed exclusively with high quality components such as the Fuji reel mount. In addition, a thin fine quality cork was incorporated. The carbon-blank along with its sturdy X-line winding features a strong and powerful spine which performs equally for long and accurate casts as well as holding on to rapidly fleeing fish. The sensitive tip action prevents slitting of the fishes mouth during retrievals. The 3,00 m length makes the C1 “S” an ideal rod for fishing from the boat.

Item-No.	Length	Parts	Transp. length	Weight approx.	Casting-weight	* €
1304 300	3,00/ 10 ft.	2	157 cm	299 g	3,00 lbs	155,00
