TROUT DOPE®

We know that trout anglers these days have high expectations and standards. All too often trout in trout ponds refuse to show interest because of the oversupply of food. This does not apply to **JENZI-GOLD Trout Dope**: **JENZI-GOLD Trout Dope** isn't sticky and doesn't smear, holds fast to the hook when trolling and during long casts and catches fish using any method. Strong reaction due to the high amount of glitter and super action in the water!
