	<b>JENZI Tape Measure / Ruler for Fish.</b> This very compact measuring tape takes up very little space in the tackle box and can be quickly extended. The Measure Mat is ideal for spin-fishing and predatory angling on Perch, Walleye, or Pike whereby the fish is protected (wet the tape measure with water). Naturally it is also ideal for Carp and Sea angling. The plastic L-Block allows for the fish to be accurately laid out and measured from the tail to head. The materials of solid PVC make for fast and easy cleaning and odorless use. Once retracted, the tape measure features a Velcro attaching band for a compact transport or for boat attachment.	
A	8104 001	120 x 8 cm
B	8104 002	140 x 20 cm
C	<b>Fob</b> for cleaning and lubricating the Line. Header packed.
